ODOR RECOGNITION TESTS

Odors: Birch, Anise, Clove

Sunday , September 22,2019

Westport Roanoke Community Center
3601 Roanoke Rd, Kansas City, MO 64111

The Westport Roanoke Community Center is nestled in an older historic neighborhood in Kansas City, Missouri. There is plenty of greenspace and parking, please be aware the road leading to the facility is angled on a hill and is brick cobblestone. The parking lots for the facility are paved, there is a driveway in front of the main entrance available for drop off, we ask that you not block that by parking there. Overnight parking is prohibited, but the parking lot is large enough to accommodate RVs. We will have a separate parking area and potty space available for reactive dogs. The facility is near KU Med Center, there are multiple options for lunch, but they are a short drive from the facility. You may prefer to bring a lunch with you, there is a small park across the street from the community center. Leashed dogs are welcome there.

The testing will be inside on wood floors at a community auditorium. There will be separate entry and exit doors to the testing area. If you will need a handicapped ramp for access please let us know in advance, the exit door for you will need to be changed.
